Wowza!

By Marilyn McGloin

What a terrific tale! Set in the Seattle area around the life of Jason Wade, a reporter for the Seattle Mirror. This story unfolds around first the murder of a teenage prostitute followed a few months later by the murder of a beloved nun who has served the homeless, downtrodden & prison inmates for years. The complexities of this novel are so intricate and well written I couldn't put it down once I started. The murderer touched so

many lives directly

and indirectly starting with a bank robbery gone bad 25 years ago where an 8 year old boy was held hostage and then killed in the crossfire. The arresting officers were Jasons' dad and his partner. The bank robber did 25yrs in the state pen and upon release all hell starts to break loose involving the hooker, the nun, Jasons dad, a young boy facing surgery for a brain tumor and his mom, folks in the soup kitchen where the nun worked not to mention the Seattle homicide division headed by lead detective Grace Garner, who just happens to be an ex- girlfriend of our reporter Jason who has been assigned to cover the whole story! Needless to say what follows is a wild rollercoaster ride of suspense and intrigue that had me breathless and on the edge of my seat the entire time it took me to read this marvelous creation from start to finish! Rick Mofina, you are one hell of a good writer! I will be gobbling up more of your books in my immediate future. To any readers out there who enjoy a good crime thriller you can't go wrong with a Rick Mofina book! #1 R.F. fan, Merrilyn McGloin!

Who would kill a saint?

By Nicole

I really enjoyed this book and loved the Bible references as they were so apt in the case of Anne Brexton, the nun!! Who could possibly have killed such a wonderful and dedicated person? Well, I had to read to find out what happened. Great way to start the book – absolutely titillated my curiosity! Had to be more to the story than happenstance! Did enjoy the characters of Jason Wade and his father. I could actually visualize Jason Wade as Rick Mofina back in the days when he was working as a crime reporter– strange huh! (Smile) One thing that did bother me – really bothered me – and maybe I would have been the killer – had it been ME that was working as a journalist.... Are editors really like that??? Grrrr - would make me crazy! Oh well, on with the story... having been in the convent myself, I learned that there are all types of women that turn to God and none of them are saints, nor do they turn into saints. We all strive to do our best no matter what careers we choose. Anne Brexton was striving to atone for her past life. Sometimes, our past lives catch up to us instead of staying behind as we hope. But we are all human and we all have human failings unfortunately. I felt bad that she worked so hard to atone but still paid the penalty. A Perfect Grave was a perfect title for this book. Loved the way the sub plots all came together or should I say, twisted together – neat!! A great read!!!

Pretty darn good... (this review contains vague spoilers)

By Kindle Customer

I received this book for free through a discount sent to me by Bookbub.

This was a very good book. The characters were clear and believable, though I would have liked to see Henry Wade fleshed out a little more. Had his character and situation been more fully developed, this book would have garnered 5 stars from me. I actually rate it about 4.5. The crime was complex and layered, revealed in stages, but I was not ever confused or bored with it. I found the character of the Nun very complicated yet sympathetic. The author clearly hints from the very beginning that the Sister is not who she seems or claims to be.

I am not an expert on crime thrillers, as epic fantasy is my usual genre, but I personally enjoyed this book, and I recommend it.
