A PERFECT HOAX (HESPERUS CLASSICS) BY ITALO SVEVO

PDF

Influenced by the rise of the science of psychology and the turmoil of the early 20th century, *A Perfect Hoax* is an ironic and affectionate story of illusion, self-deception, and impracticality in a practical world. Mario Samigli is in his seventies; he has all but given up his cherished aspirations as a writer and smiles at the world through his one remaining literary outlet—fables. When a travelling salesman with a taste for practical jokes persuades him that a Viennese publishing company wants to translate his early failed novel, Mario is caught in a fantasy of success and fame, and neglects his beloved invalid brother. *A Perfect Hoax* follows the elaborate prank as it escalates, forcing Mario blindly down a road that can only lead to disappointment.

The reader glides happily through it absorbing Svevo's ironic message with ease

By Jonathan A. Weiss

This short novel is finely tuned to live up to its title. Verging on a fable it is both specifically of a time and place and also universal of man's gullibility and greed. The reader glides happily through it absorbing Svevo's ironic message with ease.
