Excellent debut novel

By Lani Green

Excellent debut novel. I'm super picky about books, as they have to hook me in within the first couple chapter or I drop them like a hot potato. Behind Closed Doors was a page turner and I couldn't put it down. I can't wait to read more from this author.

2 thumbs up!

By g_teach

This is a great "beach read" and I read it in record time because I couldn't wait to see what happens next. The characters are realistic and the plot is fast paced. I'm looking forward to Ms. Richards' second book!
