BIBLICAL DEMONOLOGY: A STUDY OF SPIRITUAL FORCES AT WORK TODAY BY MERRILL F. UNGER PDF

A classic work on the subject of demons and the spirit world, Biblical Demonology explores the scriptural teaching on satanic forces in a systematic fashion. After a thorough introduction on the origin of biblical demonology and a discussion on the reality and identity of demons, Merrill F. Unger tackles several specific practices of demonology, including demon possession, magic, divination, and deliverance from demonic oppression. Recognized as one of the twentieth century's most influential evangelical Bible scholars, Unger provides a study of the invisible spiritual forces behind the scenes of contemporary history that is scholarly yet accessible to both Christian leaders and Christian readers.

So thorough

By M. J. Keel

This is such a thorough treatment of the subject that I left with very few unanswered questions. Some of those questions have to do with modern demon possession, which he touches on, but not deeply.

Unger grounds his study deeply in the Old and New Testaments giving us a breadth and depth of insight on the war going on behind the scenes since the Fall. If the bible does not cover the topic it is not in this book, and I love that. Far too often sensationalists write to solve problems and address situations using scripture that does not apply. The only weakness I find with this great resource is its dispensational presuppositions concerning the Last Days, but that is a small thing. Over all this is a book that would benefit every Christian.

29 of 30 people found the following review helpful.

Excellent scholarly work.

By Paul S. Mcmonagle

Biblical Demonology deals with a topic so rife in our culture, yet neglected by pastors the world over. Ask the average church-going individual if a Christian can be possessed and count how many different answers you get. Ask the average missionary if they have ever encountered demonic forces. You'd be amazed at the disparity! And yet few authors tackle the subject with such scholarly attention. This is by far the best book I have ever read on the topic of demonology. There is little substance not backed with references for further study. Unger's work is a great addition to any pastor's library. It answers questions raised by society. Great for dealing with those "Paranormal Activity" buffs. Great read!

Biblical Demonology

By Charles E. Pyke

Very academic. Written by a well educated man of god. Scripturally accurate. Excellent exposition on the doctrine of demonolgy. If you are of the charasmatic bent or want to rid demons from your city, you will be disappointed. If you are seeking truth in regard to this doctrine, get it!
