For better and for worse!

Seth Carrington needed a girlfriend and Daisy needed a ticket to the Caribbean...it seemed like a fair exchange! But having survived Seth's extremely thorough interviewing technique—which included kissing—Daisy began to have her doubts. Seth was high-handed and completely ruthless...except when he smiled; then he was devastatingly attractive.

Smile or no, Daisy had to face facts: her job was strictly temporary; she was being paid to act as a decoy for Seth's secret affair with a glamorous woman. The terms of the agreement were crystal-clear—but there was no clause about love!

Jessica Hart has a wonderful talent for "building a stunning love story you won't want to see end."
