Lubrican: An word found in Middle English or Middle Irish texts, generally understood to mean an invisible sprite who excites the lusts of the unwary. This sprite eventually came to be known as "Leprechaun" and its description changed with the spelling. While leprechauns may grant you wishes or pots of gold, if you catch them, the only remaining Lubrican still offers you treats that may inflame your libido.

CAMPGROUND AWAKENING BY ROBERT LUBRICAN PDF

When you work on a family farm, that's pretty much all you do - work. So when your dad promises you a week long camping trip, where there would be no chores, and no cows, it's a pretty big deal. And when a truck breaks down, and Dad says he has to stay home and repair it, so it will be ready for harvest ... and your mom says you can't go alone ... well, that's pretty much how things work out on the farm.

But then along comes Aunt Wendy, who isn't actually your aunt, but who used to be your babysitter, and seems like more of a pal than anything else, and she says she'll go with you, so you still get to go.

And you're not thinking about the fact that she's only seven years older than you ... and a stone fox ... and not all that modest when it comes to camping with the kid whose diapers she used to change.

Neither of us anticipated what would happen when we spent a week in close quarters in a tent at a campground. She had this bikini, and it affected me, and she thought that was cute ... until she realized I had grown up ... and she finally found out she was in over her head.

We both were.

It was just one amazing week, in which I grew up a heck of a lot and learned a ton of stuff about women. I knew it was a once in a lifetime thing. I knew there was nothing we could do about how we felt about each other. I knew we could never be real lovers. She did too.

Turns out we were both wrong.

Warning. This book deals with adult subject matter and contains graphic language and descriptions of sexual behavior. It is not appropriate for those under the age of eighteen.

Bobby discovers the wonders of Nature with Aunt Wendy

By John Weis

Bobby really had no idea how educational his camping trip would be when Aunt Wendy offered to take him. Although she was really not his AUNT, she had assisted in raising him in his younger years.

Now that he is a fully grown young man, she finds herself wanting him in a way she never expected. It started out as flashing and teasing but very quickly became a torrid sexual encounter that they will never forget...

A quick and very fun read.

By lone ranger

Robert Lubrican develops plot and character in a believable way and really understands the mind of an adolescent boy. Humorous observations add to a delightful read. Highly recommend this quick reading experience.
