A Delightful Book!!!

By A reader

I received this book yesterday and couldn't put it down! It is beautifully done with full color photos throughout.

Favorite recipes of the Royal Family are given with a little story behind them. Kitchens of the various palaces and operations of producing meals for the private and public events are detailed. The behind-the-scenes stories are wonderful.

A great resource for those interested in the Royals. Do not read if you are hungry! You'll want to rush to your kitchen and try out a recipe!
