When I married Mike, I thought I had found my fairy-tale prince. He seemed to be strong and confident and the kind of man you wanted to lead the family you hoped to build. Sadly, I soon learned that he was none of those things. Still, I did my best to be the submissive little housewife I had been taught to be. Then one day, just as I could take no more, I came upon a hormone cream that would let me change everything. Before my plans were finished, Mike would be the submissive little housewife in the four-inch heels!

This story is told in the first person by Mike's wife, and it includes female domination, forced feminization, hormones, tiny penis humiliation, cuckolding and a lot more.

Awesome sissy secretary cuckold story!

By 24kt

Awesome story of a seemingly powerless wife who takes control of her husband and forces him to become very lady like. She gets his boss, Wayne, involved and they have fun turning Mike into Michelle. Eventually Michelle becomes very docile and he serves his wife and Wayne as the prototypical housewife!

How things changed with one item.

By Sneaky One

Very believable plot, use of a strong hormonal cream breaks down husbands resistance and the threats of exposure bring him along at a slow but steady pace. Definitely worth the time.
