About the Author

Born above a shoe shop in the mid-1960s, Neil spent most of his childhood in Wakefield in West Yorkshire as his father pursued a career in the shoe trade. This took Neil to Bridlington in his teens, where he failed all his exams and discovered that doing nothing soon turns into long-term unemployment. Re-inventing himself, Neil returned to education in his 20s, qualified as a solicitor when he was 30, and now spends his days in the courtroom and his evenings writing crime fiction.

FALLEN IDOLS (JACK GARRETT AND LAURA MCGANITY CRIME THRILLER BOOK 1) BY NEIL WHITE PDF

‘Fallen Idols has been hailed as a stunning debut’.
The Blackpool Gazette

‘Fallen Idols...has all the hallmarks of a great read for crime-thriller fans with celebrity killings, conspiracies, revenge and even a hint of romance’.
The Weekly News

‘... a whirlwind of a novel ... a serious contender to match the giants of the crime fiction world’
Crimesquad.com

‘This is a story worth reading ... Neil White will be someone to watch for’
The Bookbag.com

Nominated for the Books to Talk About Award at the World Book Day Awards.

A Premiership footballer is shot dead in cold blood on a busy London street, and a country is soon gripped by terror. Who is behind this apparently motiveless killing – and who’s next in the firing line? Crime-beat reporter Jack Garrett who’s left behind his Lancashire roots for the glitz, glamour, the seediness and squalor of the capital, is convinced this is no celebrity stalker.

Aided by DC Laura McGanity, desperately trying to juggle police life with motherhood and her feelings for Jack, the trail takes them back to Jack’s home town of Turner’s Fold – and his past. He uncovers a small town conspiracy which involves his own father and the connection of the spate of recent murders to the brutal rape and murder of a young girl ten years earlier and 300 miles away.

Conspiracy, revenge and the high price of fame all combine in the stunning debut from a dazzling new voice in crime fiction.

Promising debut

By Srdjan Pesic

Neil White's promising debut " Fallen Idols" is a strong imaginative crime novel. There is a serial killer, ten year old murder, brave hero and his newfound love interest. Unfortunately there is so much more than that, so the first book seems little overblown and in a dire need of a firmer editor.

For a new writer it can be hard to exercise patience and to resist the temptation to include just about everything that comes to mind. That is editor's job.

I am looking forward to another book by Neil White, but with a better and choosier editor.

Four Stars

By Amazon Customer

Great read

0 of 2 people found the following review helpful.

Disjointed

By Bob

There was a lot of potential in this book but because of the weakness of plot and the way it was written from the perspective of a number of different characters it was not an easy read and I often found myself wondering who was being written about. It may not have been as bad with a paperback where I could thumb back through the pages, not an easy task with the Kindle.

The plot initially makes little sense as to why someone should be able to make a footballer confess to a murder he committed by killing other footballers still escapes me however further into the book things come together and at the end is a nice twist that I did not see coming. I also found that from the descriptions in the book I could not visualise the characters which for me makes a book not very interesting.
