About the Author

William L. Yarber is professor of applied health science and professor of gender studies at Indiana University, Bloomington. He is also senior research fellow at The Kinsey Institute for Research on Sex, Gender, and Reproduction and senior director of the Rural Center for AIDS/STD Prevention at Indiana University. He has authored or co-authored over 100 scientific reports on sexual risk behavior and AIDS/STD prevention in professional journals. He also authored the country's first secondary school AIDS prevention curriculum. He is past president of The Society for the Scientific Study of Sexuality (SSSS) and past chair of the board of directors of the Sexuality Information and Education Council of the United States. He has received \$3 million in federal and state grants to support his research and AIDS/STD prevention efforts. His awards include the 2002 SSSS Award for Distinguished Scientific Achievement, the 2002 Research Council Award from the American School Health Association, and the President's Award for Distinguished Teaching and the Graduate Student Outstanding Faculty Mentor Award at Indiana University. He regularly teaches undergraduate and graduate courses in human sexuality. He has presented papers at numerous national and international conferences. He was previously a faculty member at the University of Minnesota and Purdue University, as well as former public high school health science and biology teacher.

Barbara W. Sayad is a full-time faculty member at California State University, Monterey Bay. She has been teaching and mentoring at the university level for nearly twenty years and currently teaches courses in human sexuality, women's health, marriage and family, and wellness, with a focus on service learning. In addition to co-authoring the last three editions of Human Sexuality, she has co-authored the 8th edition of The Marriage and Family Experience with Bryan Strong and Christine DeVault, and has contributed to a variety of other texts. Barbara has served as a health and sexuality educator in both university and organizational settings. She received her master's degree in public health, and is currently pursuing her doctoral degree in health and human services, with a focus in human sexuality. Barbara is married and has

three teenage children.

HUMAN SEXUALITY: DIVERSITY IN CONTEMPORARY AMERICA, 8TH EDITION BY WILLIAM L. YARBER, BARBARA W. SAYAD, BRYAN STRONG PDF

Human Sexuality: Diversity in Contemporary America presents a forward thinking, open approach to Human Sexuality for today's student. The new lead authors, Bill Yarber and Barbara Sayad, continue to bring their research experience to the book while maintaining the engaging writing style that original author Bryan Strong brought to this best-selling text for years. The first text to achieve a full integration of cutting-edge research with a contemporary "sex-positive" approach, it also strives to represent the modern, diverse world that students encounter outside the classroom. Both within the text itself and throughout the exemplary art and photo program, the focus is on inclusion. Human Sexuality has been lauded by students and instructors alike for providing the most integrated and non-judgmental view of sexual orientation available. The eighth edition maintains these themes while adding a new contemporary design, streamlined format and significant content and feature revisions and updates.

Love IT

By anais

THE BOOK ITSELF IS AMAZING. VERY INFORMATIVE AND THE CLASS IS ALSO VERY VERY GREAT. EVERYONE SHOULD TAKE A COURSE IN SEX N SEXUALITY NO FUNNY BUSINESS ITS EDUCATING... RELIEVES STEREOTYPES.

2 of 2 people found the following review helpful.

Clear, Useful, Interesting

By Walrus

As far as studying for exams and tests go- this book provides information in a clear way that makes it easy to extract essential information for notes. Meanwhile, this textbook provides a wealth of information that, beyond being educational, is actually interesting. I also appreciated that the book approached vast sexual variation with such a tone of respect and understanding. Although I got this book as required reading for a class, I would wholeheartedly recommend it for anyone curious on the topic of human sexuality.

1 of 1 people found the following review helpful.

better off renting it or buying one beaten up

By Alliance

Huge textbook. For those in counseling programs wherein this is a required text, better off renting it or buying one beaten up. The book is very large, heavy but not complex. Any edition will solve what you need to accomplish, even with writing, to pass your class. My professors stated that of all the few textbooks they would buy for their counseling arsenal, this would not be one of them, and she teaches Human Sexuality.
