I LOVE COLLEGE!
By MeB
OMG WHAT CAN I SAY? I had a required textbook and according to the description, this was indeed the textbook I was required to buy! With anxious fervor I waited for my shipment to arrive! Would it indeed be the required textbook? Or an imposter? What if the pages all came blank? I can happily say that this textbook is as described and in full working order with words and content on every page. Ideally it will be exactly what I need!
