So, you could continue each time you have downtime.

From Publishers Weekly

This 1999 New York Times best seller, recently made into a major film, details the near-disastrous military mission of 99 U.S. Army Rangers and Delta Boys in Somalia in 1993. Their attempt to capture two top lieutenants of a Somali warlord resulted in a drawn-out firefight against hundreds of Somali gunmen. Bowden, an award-winning reporter for the Philadelphia Inquirer, where chapters of the book were first published as a newspaper series, tells the story through the eyes of the soldiers, capturing their ways and language. Unfortunately, Noguera Mencia's translation fails to portray their military jargon and social background. Expressions like "humvee" or "Hoo-ah" are left in their original form, devoid of meaning for Spanish readers. Moreover, mistranslations like "los intelectuales podian teorizar y escribir hasta quedarse sin pulgares" ("Intellectuals could theorize and write until losing their thumbs") for the original "Intellectuals could theorize until they sucked their thumbs right off their hands" are also common, showing Noguera Mencia's ignorance of American idioms. Finally, some sentences are inexplicably long and formal, slowing down the plot. Despite the occasional vale for "ok" and tio (literally "uncle") for "pal," Noguera Mencia avoids Castilian regionalisms. Notwithstanding the deficient translation, Noguera Mencia's research regarding military organizations is accurate, and this book promises to be a popular item in public libraries and bookstores.

Five Stars

By Leonardo Alvarez

I wish buy it!!!! Quisiera saber por que es tan costoso?

1 of 1 people found the following review helpful.

uno de los mejores libros que he ledio

By A Customer

En este Libro se narra la Historia del Destacamiento especial Ranger que en octubre de 1993 fue en una mision a caputar al señor de la guerra Mohammed Farrh Adid, En este libro se narra la historia de casi 100 soldados y de miles de ciudadanos de Mogadishu que pelearon en la batalla del 3 al 4 de octubre de 1993 (en Somaila a esta batalla se le llama el día de los Rangers). Buen libro y buena narración de los sucesos qye apsaron ahi.
