MIRTH WITHOUT MISCHIEF. CONTAINING [SIC] THE TWELVE DAYS OF CHRISTMAS; THE PLAY OF THE GAPING-WIDE-MOUTHED-WADLING-FROG; LOVE AND HATRED; . PDF

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars.

Western literary study flows out of eighteenth-century works by Alexander Pope, Daniel Defoe, Henry Fielding, Frances Burney, Denis Diderot, Johann Gottfried Herder, Johann Wolfgang von Goethe, and others. Experience the birth of the modern novel, or compare the development of language using dictionaries and grammar discourses.

Worth it for Christmas Carol History enthusiasts

By Deborah Brower

Printing could have been better, but that's the risk of these reprints, they are only as good as the scan. That said I was great to be able to get one of the earliest printed sources for the 12 Days of Christmas. I was delighted to find the book included some games as well.
