A Love Story For Many!

By Cayce Hrivnak

Chrissy Fanslau tells the story of a young girl named Adonia who falls head over heels for a hunk named Luke. It's not every day that the girl gets her own dream guy but Adonia does. That is until a secret becomes known and rocks Adonia's world. Luke is the first man she has ever truly loved and cares about could disappear within the blink of an eye. Will she allow this secret to get to her? What is this unknown secret? I will not spoil things for you, you'll have to find out yourself!

The story is very well written, the characters are lovable as well as unique, and you'll not want to put it down! Perfect for YA readers or anyone else wanting to read a fantastic high school love story. Check it out!

Such a well written, fun, simply great book-I know you will love it!!

By Renee

Adonia was NOT looking forward to the next 3 weeks. Her best friend was going on vacation and leaving her alone, and she had no clue what she was going to do without her. That is, until she met the Greek God of her dreams. His name is Luke and he's not only gorgeous but smart, sweet, funny...literally every girl's dream. And for some strange reason he chose her!

Adonia was on cloud nine and couldn't be happier, but she senses Luke is holding something back. She's worried, but it can't be that bad....can it?

Chrissy Fanslau has written a book that draws you in so completely you tune out everything around you while you are reading it (no seriously-it totally happened to me!) and it really doesn't matter how old you are...My Best Friend's Brother is a book everyone will love. The writing is amazing, the story entertaining and captivating, and the characters are fun, believable, and relatable.

Fanslau crafts her story and her world beautifully. She drops you in the middle of Alaska and shows you the beauty and harshness of it. She puts you in Adonia's mind and shoes as she goes about her life. You see everything through her eyes as it happens, and it makes you feel like part of the story. Her detail and description let you see everything clearly but they don't distract you from the story.

Her characters are just as thought out and developed as everything else in this book. Fanslau gives us people, not just characters. They are relatable and believable; they have thoughts and dreams and personalities. They think and act like anyone of that age would. And they're just plain awesome lol.

Whether you are in your teens or are sometimes struggling to remember your teens this book will amuse and entertain you. I honestly can't think of anything bad to say about My Best Friend's Brother, and I can't wait to read the next one!

Wonderful and witty!

By Ella M.

Luke and Adonia fall in love, and all seems to be going more than well. Until Luke starts acting a little off and she wonders what's going on. He won't open up to her, but one night she finally finds out the truth behind his odd behavior. She has no idea what to do. She loves Luke and doesn't want to lose him. She has a decision to make, but it won't just effect her life, but those of two people she cares deeply about.

I really liked this book! Favreau is a very talented and gifted writer, and My Best Friend's Brother is on my

list of favorites. The cast of characters is well thought out, with all them complementing the story very well.  
I highly recommend!!
