From the foreword by Steve Schlissel: "Rushdoony sounds the clarion call of liberty for all who remain oppressed by Christian leaders who wrongfully lord it over the souls of God's righteous ones... I pray that the entire book will not only instruct you in the method and content of a Biblical worldview, but actually bring you further into the glorious freedom of the children of God. Those who walk in wisdom's ways become immune to the politics of guilt and pity.

deserves much wider distribution

By spfdgreg

Every Christian who is interested in the relationship of his faith to the political realm needs to read this book, more than once. Rushdoony explains how America got in the situation we are now in. Even though it was first published in 1970, it is still quite relevant today, because the trends he saw then have only become more pronounced in the 21st century. Thought the book is solid, and filled with ideas and information, it is still quite readable (just give yourself time, because you will often stop and think about what Rushdoony just wrote).

5 of 5 people found the following review helpful.

tools used to manipulate

By likes good books, music, movies

Rushdoony dissects how the ruling elite use weapons of guilt and pity to bully, coerce, deceive, intimidate, and manipulate the masses to do their will.

7 of 9 people found the following review helpful.

Powerful, interesting and illuminating

By Rick Scott

This book is a real treasure. It is not about just politics but combines politics with philosophy, history, religion, economics, social order, law and justice, and other aspect of man's life experience as influenced by his character. It recognizes man as a spiritual creature who seeks truth in order to gain an understanding and meaning for his life and compares the inevitable results of those choices based on which source of truth man

chooses to embrace. The book is well written and deep. Having read it once, I look forward to reading it once again.
