Wonderful book

By G. Stiffler

I've enjoyed listening to James MacDonald over the past few years. He just knows how to bring practicality to what the Bible teaches. When I purchased this book I was at a very low point in my life. Sometimes in this hectic world I find that we are all being pulled in different directions. My family was struggling and I knew something had to be done before we completely fell apart. I used some of the practical ideas in this book such as the hand-written letters. Being able to openly express my feelings gave me such a sense of peace and the recipients a sense of appreciation. Being able to reconnect with my family....priceless!

Easy style to follow. Great companion to the daily podcasts.

By Shad Sluiter

James MacDonald is a relatively undiscovered treasure of good Bible teaching. I happened to hear James MacDonald on the radio by accident as I was passing through the range of a christian radio station on a trip. I found his website and subscribed to his daily podcasts. Now I have purchased three of his books. His style is biblical, easy to follow, sometimes entertaining, but always practical. "When Life is Hard" was a book that speaks directly to a christian's struggles with life. "10 choices that will change your life" are great messages to keep you on track in your spiritual journey of following Christ. This book is a good biblical reminder of responsibilities and best practices that will fix a family or keep one working well. James is a Bible teacher, not a psychologist, which means you are getting God's advice, not just good advice.
