Be Warned... this is NOT a beach read at the family house

By Sarah Mullins

This collection was a compelling, if not utterly disgusting and depressing, point of view of the ultimate male chauvinist. The kind of guy(s), throughout all 3 books, that all girls want in college, and probably fantasize about occasionally as an adult - after meeting and settling down with a "good guy." I'm not exactly sure who I would recommend this to - definitely a pessimist, or someone whose rose-colored glasses need to be shattered. For The Lie - certainly someone with (un)healthy revenge fantasies.
