By seeing this website, you have started to make new deal to always be up-to-date. It is the first thing you could start to obtain all benefits from remaining in a site with this The Little Monk By Harry Farra and also various other compilations.

From Library Journal

Farra's charming meditative tale reveals the life of a small boy who becomes potter, monastic bread baker, traveler, and spiritual seeker. At times he seems to hear the voice of God in silence and solitude; other times he experiences desolation or seeks wisdom from such people as his mother, abbot, and bishop. Each brief chapter or adventure teaches a lesson, and soon Farra learns the value of patience and prayer. Eventually, he becomes monastic leader and bishop's comforter; when rescuing two monks from a fire he burns his hands with wounds that become stigmata; later still his journal becomes a holy book for the conversion of a particularly troubled adolescent: the little monk has indeed become Christ for others. Recommended for public and seminary libraries.

THE LITTLE MONK BY HARRY FARRA PDF

"There is something here for pilgrims at almost any stage of the journey toward wholeness in Christ" -- M. Robert Mulholland, Jr., Provost Asbury Theological Seminary "What a delight to read. Often challenged, but never threatened by the little monk and his cat, Purr, I found reading this book an extraordinary pleasure". -- Jim Walton, Wycliffe Bible Translators International In this extended fable for adults, a little monk is sent on a journey to a mythical land to learn the secrets of prayer.

Get them together.

By J. Neer

This little book goes with The Early Days of the Little Monk. Great little spiritual reads you will want to read again and again.

2 of 2 people found the following review helpful.

written with childlike simplicity and beauty

By V. Tam

I read this book twice. The first time I read the story, just like a child. The second time I went back and absorbed its literary style and thoughts. The story is like a well written fairy tale, but the messages are surprisingly applicable to ordinary people. Have to read and ponder a bit deeper though. Glad that I read it twice. The second time I discovered the little monk in myself.

Easy reading with a lot to gain, very cost effective for time.

Peace

By The Reviewer Formerly Known as Kurt Johnson

In 1901 England, a young man sets out on a spiritual odyssey. Becoming a monk, he is sent to a far off monastery, so that he can learn to be a champion of prayer. Along this path, the little monk learns about silence, solitude and tranquility. He learns about love, joy, prayer and peace.

In light of recent events, at one time I began to think that this was not the right time to read this book. Later, though, I began to realize that this is the perfect time to read this book. In a time of tumult and alarum, it is right and proper to think about peace, where it can be found and how it can be acquired. This short book is a quick read, with simple but fitting illustrations, one that I recommend.
