Finally Something That Works!

By David

I hate to admit it but I was eager to find a natural cure and I thoroughly looked all over. This is the only natural resource I found that actually worked and I am finally back to my old self again.

Who could have known that a book could prove to be so useful; as a result my girlfriend is happy and I finally have the confidence to please her again. This book is also very clear and the directions are very easy to understand.

I would get this if you would like to get back to your normal self again or even if you are not wanting to let yourself get to that point; the book has a lot of valuable info to keep you from losing your libido.

I am quite relieved to have gotten this and thanks a million!

Holistic, Relaxing Approach

By Ricquelle Landis

The Natural Cure for Erectile Dysfunction embraces a holistic approach to healing as an alternative to the big name drugs touted on TV (and their laundry list of side effects). My partner and I are all about 100% natural methods and the program presented here provides a calming, relaxing approach to healing erectile dysfunction.

The reason I (as a woman) find The Natural Cure for Erectile Dysfunction so appealing is the author's presentation of techniques and exercises to work through as a couple. Erectile dysfunction shouldn't be "a man's problem". In a loving, open relationship, a couple should help each other overcome and heal. The beginning of the book illustrates step-by-step exercises and techniques for Tantric meditation, Yoga, Pranayama (breathing) and Tantric Massage. Many can be used as a beautiful, sensual prelude to sex.

In later chapters, the book delves into the specific branch of Ayurveda known as Vajikarana. It holds such a powerful imagery in its meaning, "to be like a horse". Ayurveda sustains balance in the body, mind and consciousness. Nutrition plays an important role and the author offers dietary suggestions and a handful of easily found herbs to complement the program.

Combining the chapters of The Natural Cure for Erectile Dysfunction into a comprehensive program, erectile dysfunction can be healed without the "little blue pill".
