Available Again!

By AnnaMarie

I have been hoping for the longest time that this book would become available again! This paperback version is larger than the hardcover one, but I don't mind that. I actually appreciate the bigger font size (it does make it easier to read). The front cover is so neat and included inside are some beautiful pictures of old holy cards that really add to the book. Overall, I am very pleased with this reprinted version and am happy not to have to pay an exorbitant amount for it!

As for the content of The Prisoner of Love itself, it is most excellent in every way! If ever I find my fervor growing cold, reading this book definitely helps to increase my love for Our Lord in the Blessed Sacrament. And I truly feel that this is one of the books that need to be read during these dark and dangerous times that we are living in. It is assisting at the Holy Sacrifice of the Mass and visiting Our Lord that is the answer to the many problems that we face... Highly recommended! :)
