THE REAL THING BY J.J. MURRAY PDF

Former boxing champion Dante "Blood and Guts" Lattanza is being featured in Personality magazine's "Sexiest Men Alive" issue, and reporter Christiana Artis has the scoop. There's just one hitch: she'll have to fly to her elusive subject's home in Canada. But once she lays eyes on Dante's chiseled physique and sultry Italian looks, she decides it was worth every mile. Too bad his icy demeanor doesn't match his hot body.

Since he lost his last fight ten years ago, Dante never gives interviews. But now he's ready to prove to the world--and his ex-wife--that he can still win a championship. He gives Christiana an ultimatum: if she can perform five tasks, she can ask him five questions. And then she can be on her way. Yet Dante's always had a weakness for beautiful black women, and seeing Christiana everyday is enough to melt his defenses. Soon she's an intimate part of the very story she came to write. But when the line between personal and professional gets blurred, it can be difficult to see when you've found the real thing.

Heartfelt and sexy.....

By Y. Grainger

I absolutely loved this book. This was my first time reading one of Mr. Murray's books and I was completely enthralled in it. Vivid, sexy, intelligent....I didn't want to put it down, and I'm not even a boxing fan. Christiana was hilarious and almost fearless, while Dante was tense and cautious, although he too had a great sense of humor. They made a very believable couple. I also loved that although Dante's Italian heritage was explored, Mr. Murray kept the interracial mention to a dull roar. It only mattered that they were man and woman, not white and black. It was a wonderful story that I could read again and again. This has inspired me

to read more of Mr. Murray's books.

The Real Thing

By S. courtney

I just love the story of Dante, and Tiana. It is a real love story for real people. The plot is warm, funny, and carries you along page after page. Dante is sexy, and stubborn. Tiana, is strong, lovely, and to the point. Kudos for a fighter with a big heart. Loved it.....

Long on laughs, emotionally deep - A great summer read

By Amazon Customer

Personality magazine reporter, Christiana Artis is bored stiff with interviewing people who are famous for no good reason. Too often they're as dumb as a box of rocks and half as interesting. She wants to return to interviewing everyday people who makes a difference in the lives of others. People who live their lives with a purpose.

Although ten years of anonymity have made Dante "Blood and Guts" Lattanza, former middleweight boxing champion less of a household name, it hasn't claimed his skill in the ring. He has a point to prove to the world, to his ex-wife and to himself. He isn't a loser. He's someone that she, his son and friends can once again be proud of.

However, it's not his return to the boxing ring that gains Christiana's attention. Nope, it's his becoming one of the Sexiest Men Alive that brings her to his door and sexy doesn't begin to describe Dante's chiseled good looks, perfect physique or smooth Italian tongue.

Could Dante be as deep and stimulating as he looks? Or is he, like so many other celebrities she's interviewed? As shallow as a kiddie pool?

Before Christiana can ask her first question, and confirm his lack of depth, Dante makes an arrangement with her. She can ask five questions. But she must first complete five tasks to get her answers. It's not long before the tasks turn to kisses and the questions to the satisfied moans of bliss. But when Christiana, breaks the rules and publishes his off-the-record comments, Dante once again remembers why he never trusted reporters, not even a sexy cioccolata one like Christiana.

Using his trademark wit and humor JJ Murray once again brings together two characters that are believable and easy to relate to in his latest summer read, "The Real Thing."

Dante's not only super sexy, he's all that a real man should be. Responsible, respectful and a great Dad to his son DJ. While Christiana is a heroine that female readers will see a bit of themselves in. Their lives isn't all that they want them to be, but they're working to get them there. And when tough times come, they don't throw in the towel, they reinforce their battlements and charge on toward their end goal. For Christiana, that's remembering not only her roots, but how those roots shaped her into the reporter she is today. While, for Dante, that's winning back the love of his life...now if only he could get his heart and his sense of honor to agree on who that is.

Long on laughs, yet emotionally deep, "The Real Thing" is a refreshing story of two regular people...even if one of them is famous....who simply want an everlasting love to last the ages.
