TWO BY TWO BY NICHOLAS SPARKS PDF

#1 New York Times bestselling author Nicholas Sparks returns with an emotionally powerful story of unconditional love, its challenges, its risks and most of all, its rewards.

At 32, Russell Green has it all: a stunning wife, a lovable six year-old daughter, a successful career as an advertising executive and an expansive home in Charlotte. He is living the dream, and his marriage to the bewitching Vivian is the center of that. But underneath the shiny surface of this perfect existence, fault lines are beginning to appear...and no one is more surprised than Russ when he finds every aspect of the life he took for granted turned upside down. In a matter of months, Russ finds himself without a job or wife, caring for his young daughter while struggling to adapt to a new and baffling reality. Throwing himself into the wilderness of single parenting, Russ embarks on a journey at once terrifying and rewarding-one that will test his abilities and his emotional resources beyond anything he ever imagined.

1/3 of the way and I cannot read another page

By Julie N.

I do not like writing reviews before I finish a book, but 1/3 the way into this book and I just cannot take anymore.

* Minor Spoilers *

Russ Green and Vivian meet and fall in love. By the end of the first page I was sure I knew where the book was going. I was sure she would die in childbirth and Russ would have to raise their daughter alone. I could not have been more wrong, but I almost wish Mr. Sparks would go back to his old cliché.

Instead the book comes off more like a Taylor Swift break-up song she writes for the sole purpose of revenge. At first Russ and Vivian are a happy newlywed couple. Very quickly their daughter London comes along and they settle into a typical middle class life with her staying home and him going off to his fancy PR job. But when he feels insecure at work he quits his job and starts his own company without getting a single client ready first. He then becomes bitter and feels insecure. Vivian gets a job with Walter Spannerman (read that as Donald Trump) and Russ is resentful. The next 7 chapters are from his point of view as he complains because he has to spend time with his daughter, taking her to her activities and doing household chores like grocery shopping, cooking, cleaning, and laundry. As if that is not enough he grumbles because he is not getting enough attention in the bedroom. When the couple does spend time together they bicker and snipe at each other constantly. While reading it I start feeling agitated and cranky too.

If all that is not enough the book is poorly edited. Words are missing and sentences repeat themselves. You can figure out what he was trying to say, but it feels like Mr Sparks is either just not interested in writing anymore, this book was rushed to release, or it was written as a way to get back at his wife after their divorce. I mean no disrespect to either of them, because it is horrible when any marriage ends, but this book is definitely in my top 5 worst books I have ever read

Update: Our power went out shortly after I wrote this review and the only light available was from my Kindle. I ended up reading the whole book. There is a further update in the comments section

Waste of time!

By Gilbogaggins

Beyond disappointing! Not your usual Nicholas Sparks.

Great book!!

By Andrea

I must say this book started out slow for me... but I ended up not being able to put it down... it was hard to read because I could see where it was heading until the major plot twist. I ended up crying and laughing sometimes simultaneously!
