UNDERSTANDING HEALTH POLICY: A CLINICAL APPROACH BY THOMAS BODENHEIMER, KEVIN GRUMBACH PDF

Understand how the healthcare system works – and how you can succeed in it

Covers the 2010 Affordable Care Act

A Doody's Core Title for 2015!

The most trusted and comprehensive guide to healthcare available, Understanding Health Policy provides everything students and professionals need to build a solid foundation on the field's most critical issues.

Expert practitioners in both the public and private healthcare sectors, the authors cover the entire scope of our healthcare system?from the concepts behind policy decisions to concrete examples of how they affect patients and professionals alike. Understanding Health Policy, 6e makes otherwise difficult concepts easy to understand?so you can make better decisions, improve outcomes, and enact positive change on a daily basis.

Features:

- Coverage of structure, organization, and financing of the health care system
- Key principles, descriptions, and concrete examples are skillfully interwoven in each chapter to make important issues interesting and understandable
- Clinical vignettes clarify difficult concepts and demonstrate how they apply to real-world situations
- Comprehensive list of review questions reinforce what you have learned

Understanding Health Policy, 6e will help you develop a clearer, more systematic way of thinking about health care in the United States, its problems, and the alternatives for managing and solving these problems.

text

By Shelley Burnett

this is required text for BSN program. Good reference for class. Delivered as promised, in condition as described. thank you.

6 of 6 people found the following review helpful.

Easy and to the point...

By Sarah Mancinho

Vert informative and up to date. Used it for a Policy & Politics of Healthcare class. Easy to understand. Covered all aspects of healthcare system from top to bottom, and explained the policies behind them. I decided to buy, instead of renting because it seemed like a good book to have around for future classes in both the public health and health policy areas in which I am focusing on.

2 of 2 people found the following review helpful.

Four Stars

By Amazon Customer

Good introductory textbook for health administration students. Insertion of clinical examples makes policy alternatives more understandable.
