WE ARE ALL DIFFERENT: AND WE ARE ALL RIGHT BY ELISABETH NORMAN GARDNER PDF

We Are ALL Different combines my love of children and pets into a real-life look at bullying. I use my own animals, as well as those of friends, to explain to children just how much bullying hurts. Even something that seems harmless, like laughing at someone's freckles, is portrayed as the real pain that is felt when my Dalmatian is shown hiding her face in embarrassment and hurt. Several of the animals in the book are having to deal with mean comments made by classmates. The overall message that is conveyed is that everyone is different, everyone is beautiful and everyone is worthy of being loved.

A new voice to help stop bullying!!

By leslie bailey

What an amazing book by an amazing author! It is always a joy to be around Elisabeth....she is one of the kindest women you will ever know.

She has a tender heart for all creatures great and small. Her new book really uses animals to tell a story that the youngest children to older "children-at heart" must hear...

Bullying is NOT ok EVER!

If Elisabeth's book could be read to every child under 10 all over the world, I believe that the world would be free of bullies.

If you want to help make a difference in your child's life, buy her book.

And imagine a tomorrow where children could be free to celebrate their differences , not bullied for them!

Elisabeth is a wonderful writer. Everything she writes is straight from her heart with so much love for others.

After reading her book it was very apparent that her objective is to teach children to love everyone equally and to never allow the judgement of others to define ones self worth. This book is a must buy for children.
