Liberals are all about love. They love poor people...as long as they stay poor.

They love choice...as long as it's not in education, energy, healthcare, or commerce.

They love rights...as long as we're not talking about the rights of the unborn.

They love black people...as long as they stay on the Democrat plantation.

So they just love Alfonzo Rachel.

Weapon of A.S.S. (American Socialist States) Destruction obliterates liberal lies - from the so-called "party switch" to the money-grubbing self-righteousness of the green movement. Poverty pimps, Afrocentrics, RINOs, Demon-crats, whatevuh...all of you jive turkeys better watch out! 'Cause Zo's about to drop some truth bombs up in here!

ZoNation translates well into print

By CR

Alfonzo uses humor to help make his point about how ridiculous the Left's positions on both fiscal and social issues have become. This would be a great book to give a liberal who honestly (or maybe not) has questions about what's going on in our country. I've enjoyed the ZoNation videos for a while, and the book is a nice addition to my library. The author's viewpoint as a Christian conservative black man (reorder those adjectives any way you like) makes this an important read.
