I liked this book

By Merry Reader

Whitney Lawford didn't like going to parties, but this was an really bad party, she let Toby Keston talk her into going and it was worse than anything she could image. Whitney got mauled by a drunk, and after having her dress torn she went upstairs to get away from the crowd, and she layed down.

She found herself in the bed with Slone Illingworth. His fiancée found them in the bed together, Slone made Whitney become his fiancée, because his Mother had been so happy to hear he was engaged he had to use Whitney to be his fiancée.

Slone's mom never met Gleda and Whitney was happy to help out, problem, Slone had broken his engagement to Glenda long before the party and long before catching Whitney and Slone together.

This is a good book but I also like Susan Fox, the late great Betty Neels, the late Essie Summers, Rebecca Winters, Helen Brooks, and Eva Rutland.

I like it

From the back cover:

There was no doubt she was to blame. Whitney Lawford never imagined that when she slipped into an empty bedroom to escape a tedious drunken party, she would wake up next to Sloan Illingworth, the tall, attractive owner of Illingworth International. So when Sloan's engagement was broken and he asked her to pose as his fiancée, Whitney felt obliged to agree. However, Sloan wanted to be the only man in her life. When she learned how Sloan had deceived her, Whitney swore never to forgive him. Then circumstances changed....

I liked this book and definitely recommend it. The story zips along and had everything you need to make a good romance: good characters with good chemistry and good dialogue. It's a keeper.
