Keeps getting better and better!

By Bradley Stephenson

xxxHolic just keeps getting better and better. While last volume we saw a major progression with the plot with Yuko battling a mysterious villain's quest, here we get some BIG personal development between Watanuki and Domeki with heaps of romantic suggestions and Watanuki actually being forced to ponder what Domeki means to him.

It also becomes apparent that Yuko "hired" Domeki for a much greater reason than simply to repay a fee. Several characters mention or speculate on Domeki's destiny and where he's headed with in becoming obvious that big changes are in store for him in future volumes (having seen the next volume in Japanese I can say this is definitely the case!).

The art is of course first class and I simply loved the translation notes in the back (5 pages!). This manga continues to educate me in the Japanese language and culture.

5+ stars for this baby!

Touching

By L. Mintah

XXXHolic volume six finds Watanuki on his own, as Yuko has gone to "make gods" in Tsubasa, the crossover manga starring Sakura and Shaoran. Watanuki had become a kitchen slave, making treats for Yuko and Motonoki as they downed gallons of alcohol. At last, he is going to get a vacation! But rather than have free time, Watanuki becomes embroiled in a friendship that might kill him.

In the park, he meets a beautiful woman. They quickly become like a mother and son. But something is wrong, and Domeki might have to take drastic measures to help his friend. This story takes up the last two-thirds of the volume. The first third is a cute story where Domeki and Watanuki journey to the spirit world with the help of a magical lantern.

The cultural notes in the back are interesting and helpful, more so than any other manga I have read. Anyone who has read all the notes from XXXHolic will have an above-average knowledge of Japanese culture.

And, as usual, Yuko's outfits are **ABSOLUTELY GORGEOUS!!!!** Just look at the cover!!! The CLAMP studio is **SO** skilled at designing clothes.
